

Remarks

Claims 1-8, 10 and 12 are currently pending.

35 U.S.C. § 112

The Examiner has rejected claims 7-10 and 12 under 35 U.S.C. § 112, first paragraph for failing to comply with the written description requirement. Applicants have amended claim 7 by replacing "acrylate" with "the first component". Support for this amendment can be found, at for example, paragraphs [0041] and [0047]-[0050]. Applicants respectfully request the rejection be withdrawn.

The Examiner also has rejected claim 9 as failing to comply with the enablement and objected to the term "amplificator". Applicants have cancelled claim 9 rendering this rejection and objection moot.

Finally, the Examiner has rejected claims 7-10 and 12 as being indefinite. Applicants have amended claim 7 with "a stabilizer" to particularly point out and distinctly claim the subject matter which Applicants regard as the invention. Support for this amendment can be found at, for example, paragraph [0168].

Accordingly, in view of the amendments and remarks above, Applicants respectfully request that all rejections be withdrawn and the application pass to issuance.

The Commissioner of Patents is hereby authorized to deduct any fee due in connection with the filing of this document from Huntsman Corporation Deposit Account No. 08-3442.

Respectfully Submitted,
